** Thank you for your interest in supporting Eagles Charitable Foundation (ECF). ECF offers its services directly to children at their schools and in their neighborhoods. Its signature program - the Eagles Eye Mobile - leverages the celebrity and excitement of the Philadelphia Eagles football team enabling us to capture the attention of some of the hardest to reach children. The organization also partners with other local non-profits and leading institutions to provide grants focused on supporting autism research and services.*

Your \$50.00 donation will be greatly appreciated by ECF and those benefiting from its services. Thank you! To learn more about these programs, log onto: www.eaglescharitablefoundation.org
