

## **Frequently Asked Questions**

We strongly recommend arriving at the beginning of the registration period. This will give your child the opportunity to get autographs from the Eagles Cheerleaders prior to the start of the clinic.

After reviewing the frequently asked questions below, if you have any additional questions, please email us at [jrcheerleaders@philadelphiaeagles.com](mailto:jrcheerleaders@philadelphiaeagles.com).

### **1) Do the parents/guardians attending have to purchase tickets?**

No. Each ticket includes access for ONE (1) participant and TWO (2) parents/guardians/siblings. If you need to bring additional family members, please email us at [jrcheerleaders@philadelphiaeagles.com](mailto:jrcheerleaders@philadelphiaeagles.com).

### **2) Where will the event be held?**

The Clinic will be held in Panasonic Club Lounge at Lincoln Financial Field.

### **3) Are the parents/guardians allowed to watch the clinic or just the performance?**

Parents/guardians are invited to watch both the clinic and the closing performance.

### **4) Does registration have to be done online?**

Yes. You can register by clicking on the link above.

### **5) Do you offer group discounts?**

If you are interested in signing up a group of 8 or more, please email us regarding group discounts at [jrcheerleaders@philadelphiaeagles.com](mailto:jrcheerleaders@philadelphiaeagles.com).

### **6) Should participants have prior cheerleading experience?**

No prior cheerleading experience is required. The goal of the clinic is for participants of all ages to learn basic cheers and dances in a fun, non-competitive setting.

### **7) Will the participants be broken down into smaller groups?**

Participants will be broken into groups according to age: 5-6, 7-8, 9-10, and 11-13. This will allow each child to get more personalized instruction and to learn with children their own age. Each group will have its own team of Eagles Cheerleaders as clinic instructors and each age group will have its own performance.

**8) What should my child bring?**

A lot of enthusiasm! Water and a snack will be provided to participants during the clinic. Breakfast or lunch will not be served, so we recommend that participants and their parents eat before the clinic.

**9) What should my child wear?**

Something comfortable—we recommend a t-shirt, shorts or stretch pants, and sneakers. For the outside performance, please bring any needed accessories based on the weather. Cheerleading uniforms are not required.

**10) Are cameras allowed?**

Yes. All types of cameras and video cameras will be permitted.

**11) Can we bring items to be autographed by the cheerleaders?**

Yes. Cheerleaders will be available for autographs and photographs during the registration period.

**12) Will I receive a hardcopy ticket?**

No. Once you register online, your name will appear on our registration list. You can also print the receipt of your online ticket purchase.

**13) Once I register, is there any other paperwork that I need to fill out?**

Yes. You will be asked to sign a standard waiver sent electronically.

**14) Is there a place where parents purchase any refreshments or merchandise while attending the clinic?**

Yes. There will be a concession stand open for parents and a merchandise stand with the latest Eagles gear.

**15) What do I need to know if I am a parent/guardian that is interested in participating in the dance clinic?**

When you arrive at registration, you will be asked by the staff if you are interested in participating. At that time, you will just need to fill out a waiver and you will be given a wristband. You do not need a special ticket to participate and there is no additional fee. Once the clinic starts, you can report to the area that is designated just for parents/guardians to participate. We suggest wearing athletic attire. The cheerleaders will be teaching stretches, a warm-up, and aerobic style dance moves. The instruction will conclude prior to the performance on the field so that you can watch your child's performance.
